
CALL FOR PAPERS

3rd International Meeting on Meteorology and Climatology of the Mediterranean

Marina di Pisticci – Matera (Italy) June, 7-10, 2011
www.imcm2011.org

The Department of Environmental Physics and Engineering of the Basilicata University, in collaboration with Valencia, Barcelona, Palma de Mallorca and Girona Universities and the Catalan Association of Meteorology (ACAM), extend an invitation to participate in the *Third International Meeting on Meteorology and Climatology of the Mediterranean*, submitting abstracts of scientific, technical and/or application studies. The conference will be held in English.

Accepted contributions will be presented either as oral presentation or as poster presentation.

Moreover, contributions may be published in *Tethys, Journal of Mediterranean Meteorology & Climatology* after the standard peer-review process of the Journal <http://www.tethys.cat>.

IMPORTANT DATES

<i>Call for papers</i>	November 30th, 2010
<i>Abstracts deadline</i>	January 20th, 2011
<i>Notification of Acceptance</i>	March 15th, 2011
<i>Tethys Contributions</i>	Optional. Reception of papers opens after the end of the meeting.

SUBMISSION OF ABSTRACTS: Extended Abstracts are to be submitted in English, via the meeting Website <http://www.imcm2011.org>. Your registration will be required.

SCIENTIFIC AND ORGANIZING COMMITTEE: Joan Arüs (Agencia Estatal de Meteorologia, AEMET), Joan Bech (Servei Meteorològic de Catalunya), Giuseppe Bianco (ASI - Italian Space Agency), Josep Calbó (Universitat de Girona), Vicente Caselles (Universitat de Valencia), Bernat Codina (Universitat de Barcelona), César Coll (Universitat de València), Vito A. Copertino (Università degli Studi della Basilicata), Joan Cuxart (Universitat de les Illes Balears), Mauro Fiorentino (Università degli Studi della Basilicata), José Antonio Guijarro (Agencia Estatal de Meteorologia), Cosimo Marzo (ASI - Italian Space Agency), Jose Luis Palau (Centre d'Estudis Ambientals de la Mediterrània), Jean-Louis Roujean (MeteoFrance), Giuseppina Scavone (Università degli Studi della Basilicata), Carmine Serio (Università degli Studi della Basilicata), Aurelia Sole (Università degli Studi della Basilicata), Vito Telesca (Università degli Studi della Basilicata), Francesco Vespe (ASI - Italian Space Agency)
